## About This Game

**This Steam Early Access game is currently not a finished game and may or may not change significantly over the course of development. To learn more about Steam Early Access, please visit <http://store.steampowered.com/earlyaccessfaq/>**

The old Jarl has died and his once prosperous port has fallen into a state of catastrophe. Fearsome creatures are coming in droves, driving chaos and destruction before them. Trolls attack the town. Draugr terrorize the nearby villages. Monsters strike at travelers and merchants alike. The people are suffering and you could be their champion.

Champions of Midgard blends worker-placement and dice-driven combat to create an exciting and strategic experience. Recruit warriors, gain powerful runes, and peer into the future – then send your faithful fighters on journeys to defeat fierce and mythical beasts. Gain the most glory to become the new Jarl and be recognized as a Champion of Midgard!

Champions of Midgard is a Viking era worker placement game with dice-driven combat. Taking on the roles of competing Viking leaders, players hunt trolls, battle draugr, and slay mythical Norse beasts in a quest for glory!

- This is the official digital adoption of the famous board game called "Champions of Midgard" from Grey Fox Games
- Possibility to play with AI
- Local Multiplayer
- Animated background
- Rating system included

# COLLECTIBLES

Coin

Gem

Treasure Chest

Pot

Bullets

Speaking of pots, their content is randomized between playthroughs, but only between the pots in the same room. So, one time the lower left pot might hold a coin and the other time it might be empty and the upper right pot might hold that same coin. Why? Just to add some diversity between playthroughs.

Secret Scrolls

Guardian

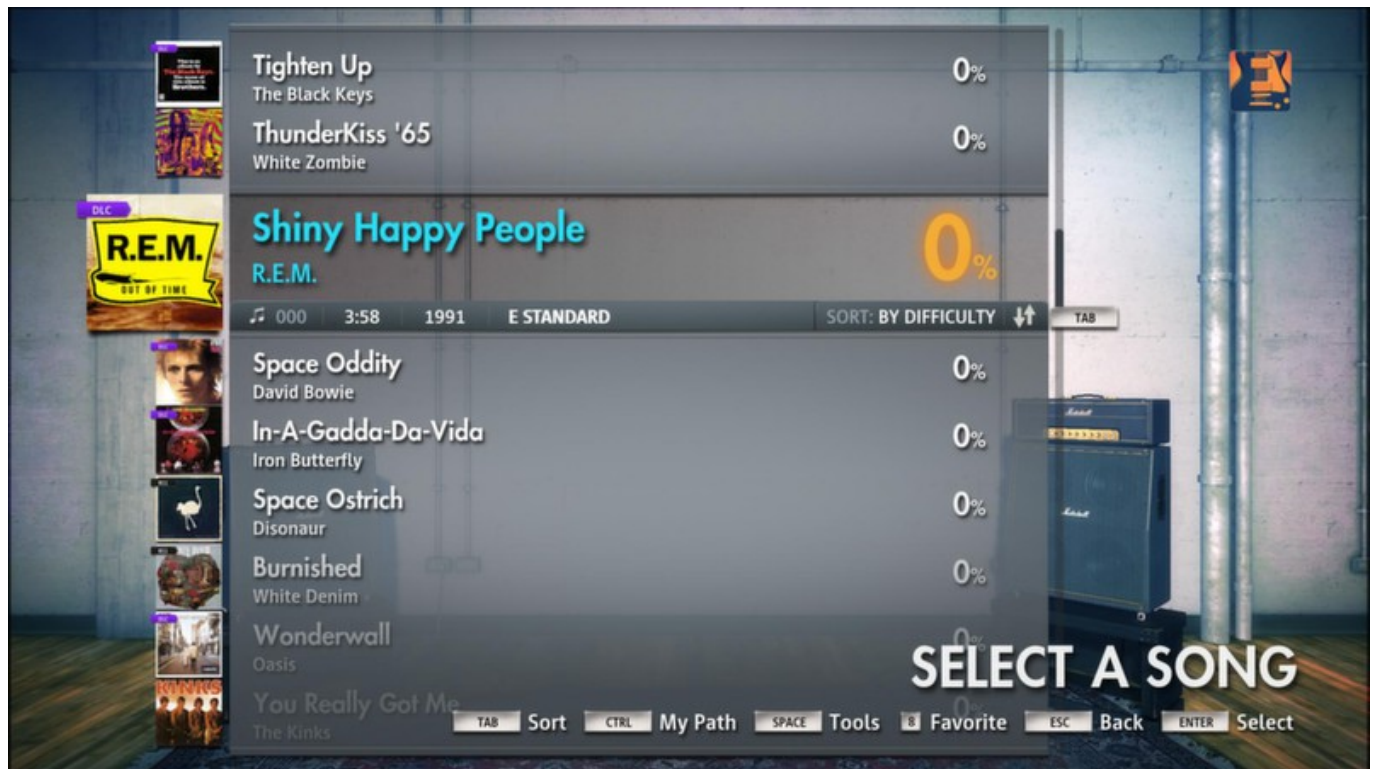

Chalice of the Gods

Ah, the lure of gold! How easily it takes over Elena Temple, pushing her to jump into an unknown dungeon! When she realizes she must find another way out, Elena's only choice is to get her hands on all the gems hidden in treasure chests scattered around the dungeon. There sure are a lot of pots lying around, but nothing a good old bullet can't break! Well, what do you know, some of these have coins inside, ah, that lure of gold takes its hold again!
